THE CRIMINAL COURT.

Three Indicted Persons Convicted There Yesterday.

BEN FRAZIER FINED \$25 AND TWO

Prisoners Found Guilty and Sentence Suspended—A Rather Sensational Episode Growing out of the Latter Case Leads to a Fine for Contempt of Court.

In the circuit court yesterday Ben Frazier was put on trial on an indictment for carrying a concealed revolver. He tried to make out that the alleged pistol was merely a glass bottle in the shape of a pistol, but the evidence was "dead against him." He was found guilty by the jury, and Judge Hugus fined him \$25 and costs.

John Miller and Mrs. Mary Anderson, indicted for adultery, were then put on trial to a jury. They were found guilty, but sentence was deferred.

The woman was put on the stand and gave evidence against Miller. When she left the stand she sat down in front of Mr. John C. Miller, father of the accused, who leaned over and said something to her. She began to cry, and her attorney, W. J. W. Cowden, asked her what was the matter. She said Miller had said to her: "You — —, I'll send you to h—!"

The attention of the court was called to this, and Judge Hugus fined Miller \$5 and costs for contempt.

Robbery at Mt. Pleasant.

The residence of B. F. Bone, the Mt. Pleasant jeweler, was entered by burglars on Sunday evening and \$31 and nine watches and a lot of gold rings, cuff buttons, etc., taken. Entrance was effected by cutting out a pane of glass in the back door and walked in. The box in which Mr. Bone kept most of the valuable jewelry was carried off, together with all of the contents and what money they could find. Mr. and Mrs. Bone left their home at 7 o'clock and attended the Friends' church, which is just across the street, returning soon after 8, and it was during this time that the robbery took place. Mr. Bone's residence adjoining the store and he has been in the habit of carrying a box of the most valuable goods into the house each night for safe keeping.

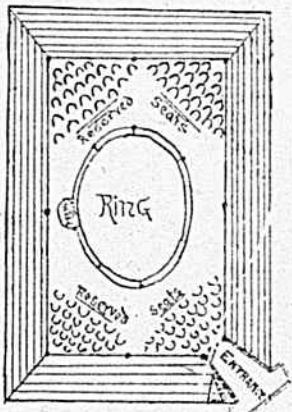

Both by Michaels.

Again yesterday Officer Michaels scored the only two arrests made by the police. An unknown man so drunk he could not tell his name was first run in, and then Jake Johnson was arrested for carrying a pistol. He had borrowed the pistol, and then tried to pawn it, and when he failed he raised a row about it.

THE SITE IS CHOSEN

And the Contract Let for the Columbian Athletic Club's Amphitheatre.

A meeting of the Columbian Athletic Club was held yesterday afternoon, at which a number of proposals of sites for the proposed amphitheatre were considered. These came from all parts of the compass, and all presented their advantages. Finally, however, the club selected the lot in the rear of Mrs. L. Heller's, in Fulton. It lies on the National road and the street from the Peninsular bridge, affords ample room, and has every advantage that could be desired.

The architect's plans for the pavilion are shown above. The building will be fifty feet square, of a very ornamental design as to elevation, and nicely arranged inside. The middle will have an earth floor, with a stakeless ring. On four sides will be reserved chairs, and back of these will be seats raised in amphitheatre form. The entrance way will be under the seats from the northwest corner, the ticket office, dressing rooms, etc., being also under the highest seats. On east side will be a roomy box, elevated close by the ringside, for the use of the press. The plans represent one of the most complete amphitheatres for sporting events that has yet been built. The contract for its construction was awarded to Mr. Hamm, the well known Fulton contractor, and it is to be pushed to completion as soon as possible. The club hopes to be able to open it by March 26.

"The Passing Show."

"The Passing Show" will pass. It is not what it ought to be. The company is fairly good, but not strong enough to make the hedge-podge of humor and specialties as attractive as it could be made. A very large crowd enjoyed it thoroughly, however.

LOCAL ACTIVITIES.

Matters of Minor Moment in and About the City.

"The Grand" this evening—"On the Go."

Opera House this evening—"Sport McAllister."

The Yorkville coal works, which has been idle several months, will go on tomorrow.

Only two cases showed up for the police court yesterday. A drunk paid the usual fine and a vag had his sentence suspended.

Yesterday a piston rod on the table engine of the Wheeling steel plant broke, and the plant was compelled to shut down for about three hours.

The remaining two homing pigeons stolen the other day from Mr. Ryan, of the South Side, by a number of boys, were recovered yesterday by the police. They had been taken into the country.

Last evening at Bridgeport a number of young men met and organized the Edelweiss Banjo, Mandolin and Guitar club. The club elected officers and will meet every week. They have secured the services of Professor F. J. Nelson, of Bellaire, to act as teacher.

Extraneous lodge No. 22, I. O. G. T., held a well attended meeting last night at which four new members were initiated. All the members are especially requested to be present at the meeting next Monday evening. The lodge will give a public entertainment on April 22 in the lodge room on South Market street.

ABOUT PEOPLE.

Strangers in the City and Wheeling Folks Abroad.

Mr. Charley Wilford is recovering from a serious attack of rheumatism.

Mr. and Mrs. John Butterfield, of Baltimore, who have been the guests of Mr. and Mrs. Leo Rieker for several days, left for home yesterday.

Miss Mary Torock, of the East End, Seventeenth street, left last Wednesday for a two weeks' visit to friends in Barnesville and Miltonsburg, Ohio.

After several weeks' mysterious silence Mr. Kilby Lader and Berry Merchant have communicated with their friends. When last they wrote they were in quarantine at Little Rock, Ark., on account of the small pox at Hot Springs, but both were well, and they expected to leave for New Orleans in a day or two and to be home by April 5.

THE FIRE DEPARTMENT.

Meeting of the Council Committee Last Evening.

There was a very lively meeting of the council committee on fire department last night. The committee approved and recommended for payment bills aggregating \$42 55, which sum includes the cost of a new floor just completed in the Vigilant engine house.

The removal of William Boles from the position of engineer at the Eighth ward house, recently made by the chief, was sustained by the committee.

Mr. Hahne, member from the Eighth ward, presented a resolution to the effect that the chief be required to have the Eighth ward horses shod by a blacksmith named Dickson. Captain Otto amended by making it any practical horse-shoer in the Eighth ward, which passed. There was a pretty warm discussion on this point, Chief Healy intimating that Councilman Hahne was indulging in spite work. Mr. Hahne's brother was once a member of the fire department, and was discharged by Chief Healy. Considerable feeling has developed in the meetings of the new fire department committee, and the exact inwardness of it has never come out.

"On the Go."

A large audience assembled at the Grand last night to see Charles Loder and his company in the funny comedy "On the Go." Mr. Loder made a great hit in his new comedy, which is by odds the best farce he has ever been seen in, and his company is exceptionally strong, including the four Cohans, Banks, Winters, a well-known vocalist and song writer, H. C. Cashman and other well known artists. A long string of new features and fine specialties was introduced.

There is lots of fun, good singing and dancing, and the applause was quite frequent. The play itself is intensely funny, and those who enjoy a good hearty laugh, should not miss it. The company remains the usual three nights.

Robbie Gaylor Tonight.

The Opera House will open its doors this evening with Robert Gaylor in his new play "Sport McAllister." Mr. Gaylor is well and favorably known throughout the country for many years as a star on the vaudeville stage, where his peculiar individuality and rare originality won for him a national reputation. He is a comedian free from vulgar methods and exaggerated ideas, and one of the best and most natural stage Irishmen. The supporting company is the best that Gaylor has ever been surrounded with, and includes among others the well known artists Gilbert and Goldie, Arthur J. O'Brien, Joe Kelly, Marie Laurens, Mabel Craig, Maggie Fielding, Kathleen Warren, Lillian Hockler and Lizzie Innes.

Nervous Headache.

PROCTOR, W. VA., Feb. 15, 1895.—I have suffered with nervous headache and had no appetite. I heard so much about Hood's Sarsaparilla that I thought I would try it. I have taken four bottles and the headache has now disappeared and I have a good appetite. Miss Ida J. Zingg.
